

Parmanand
Group

Nature's Signature *on Every Grain*

Handpicked from India's heartlands.
Delivered with soul.

Where Nature Whispers, We Listen.

Welcome to Parmanand Group, where agriculture meets artistry.

Each grain, each bean, each spice you receive is not just a product, it's a fragment of India's soil, soul, and sincerity.

In a world of mass production,
we stand for mindful selection.

In a world of automation,
we preserve human touch.

*Join us as we craft a journey of purity, from
Seed to Signature.*

Two Men. One Promise.

Founded by **Mr. Parag Asrani** and **Mr. Roshan Gera**, Parmanand Group is the story of two men who dared to dream differently.

What began as a single-room operation has now grown into one of India's most respected agro-export enterprises, loved across more than 20 countries.

Mr. Parag Asrani
Co-Founder & Director

Mr. Roshan Gera
Co-Founder & Director

Their vision?

To bring the best of India's agriculture to the world, ethically, elegantly, and exceptionally.

Rooted in Purity. Grown with Purpose.

People First:

Uplifting farming communities through fair trade

Soil First:

Partnering with farms that respect the earth

Traceability:

Transparent tracking from farm to port

No Shortcuts:

Slow processing for long-term trust

*We don't just grow food.
We grow relationships, with*

 **land**

 **People**

 **Purpose**

Beans with a Backstory.

Nestled under rain-fed canopies, our coffee grows in harmony with nature. Every cherry is handpicked. Every note is intentional.

Long Grains. Longer Legacy.

Sourced from India's most fertile belts, our rice isn't just food, it's a memory on a plate.
